Any additional deferred property taxes, including special assessments, plus interest, on the real property under a deferral and recovery agreement signed by my surviving spouse shall be added to the property taxes, including special assessments, and interest which would otherwise have been due, and the payment of which has been postponed during the life of my surviving spouse, in determining the 80 percent equity requirement provided by this Section.

In addition, deferred property taxes, including special assessments, and any interest accrued thereon, are due within 90 days after any deferred property tax property, including deferred special assessment property, ceases to be qualifying property as defined in Section 2 of the Act.

If payment is not made when it is required by Section 3 of the Act, foreclosure proceedings may be instituted under the Property Tax Code.
