RE: Benefit Access Program

The Benefit Access Program is through the Illinois Department on Aging.

Once enrolled you will need to renew every 2 years. You can obtain a copy of a certificate of you qualified enrollment via the internet (we can assist with this if needed). You will not receive any other form of confirmation of this discount. When confirmed that you are approved, you will need to do one of the following:

- 1) By mail - send in \$24.00 (if you have a vanity plate it will be \$31.00).
- 2) DMV - you should be in their system and will be instructed to pay the according discounted price.
- 3) Currency exchange - for this you will need a Control # to obtain this you will need to contact the Secretary of State at (217) 524-5955. (you will need to provide them with you license plate information). Once you have obtained this # it will be the same for every consecutive year following.

The Benefit Access Program also qualifies you for a Ride Free Metra Pass, you are welcome to process this application at the Township Center located at 1625 Deep Lake Rd, Antioch, IL (847) 395-3378. They will assist in filling out the application and take your picture, necessary to complete this process.
